Principal's Message

Dear Students,

At the very outset, I, on behalf of all the teaching and non teaching members, heartily welcome you to our College family

With a glorious history of fifty years, we have been providing education within a modern educational environment with the help of a strong administrator and dedicated academic staff. We believe in moving ahead with changing needs of the time and our thrust has been on introducing value based job oriented courses with global outlook. We work together to inspire the young students to build up their career and transform themselves into decent human beings. We are committed to a student-centric environment in which the intellectual, cultural, social, physical and recreational needs of students are fruitfully addressed.

We provide a wide range of useful courses at Higher Secondary and Degree level in Arts, Science & Commerce streams with Major Courses in almost all subjects. We have launched two year regular PG course "M.Sc.in Physics" from 2016. We offer one year professional regular course of "Post-Graduate Diploma in Computer Applications (PGDCA)". Apart from regular courses we provide various Career Oriented Courses such as "Diploma course in Wildlife Conservation Biology", "Certificate course in Communication Skill", "Certificate course on Human Right Education" etc. In order to generate skilled youth along with cent percent guarantee of employability we have introduced one year diploma course on "Computer Hardware and Networking Maintenance" under UGC Community College Scheme from 2017.

As a component of Equity initiative of MHRD, Govt. of India under the guidance cum funding of Rastriya Uccharat Siksha Abhiyan (RUSA), Assam we have been conducting Finishing School scheme from 2017-18 academic session to provide training to our passed out and final year student for encouraging and motivating them to have a higher platform in their career.

We have a uniquely wonderful and naturally green spacious campus ideal for teaching-learning transactions. We have well equipped laboratories, a modern library with over 36,000 books, an auditorium for academic cum cultural events, play ground comprising of an indoor sports stadium and hostels for girls & boys with the best available facilities. Added to these, there are facilities of NCC, NSS, IT Center, Book Bank, financial assistance to the economically disadvantaged meritorious students and support services like Career Guidance and Counseling Cell, Training and Placement cell, Multi Gym, Health Care Cell etc. Our study centers of "Krishna Kanta Handique State Open University (KKHSOU)" and "Distance Education Study Center of Dibrugarh University" offer diverse undergraduate, post graduate and career oriented courses.

Our three science departments - Botany, Chemistry and Physics achieved national recognition under the STAR College Scheme of Department of Biotechnology (DBT), Ministry of Science & Technology, New Delhi. This DBT STAR college scheme has been a tremendous boost for the institution in achievement of goal of imparting quality education along with sensitization towards importance and scope of basic sciences.

The NAAC re-accredited our college with B grade in 2015. We always strive for an all-rounder development of our students by helping them to explore their potential and make the best use of the opportunities in academics, sports, cultural and other extra-curricular activities. We expect that you will become a part of our family and share in the excitement of learning and advancing knowledge. With best wishes

Dr. Dip Saikia

2. Digboi College – A Perspective

INTRODUCTION:

Digboi College, a premier institution of higher education affiliated to Dibrugarh University was established in 1965 in the historic oil town of Digboi, Assam.

A handful of dedicated educationists and social activists took the initiative to start a college in Digboi. Their dream came to reality on 15th July 1965. The benevolent role performed by Indian Oil Corporation Limited (AOD) in the growth of the college deserves special acknowledgment.

The college has come a long way in imparting education in the undergraduate level in Arts, Science and Commerce stream – both Major and Non Major and has recently introduced regular Msc in Physics. At present there are 21 departments in the college with student strength of 2173. It is a provincialised college under Govt. of Assam. The college has been able to carve the status of one of the best colleges of Dibrugarh University. With its consistent quality performance in academic and allied arenas and radical contribution to research, it has been able to achieve craved recognitions STAR college scheme for the departments of Botany, Chemistry and Physics as well as recognition and grant under Community scheme and Finishing School of RUSA.

LOCATION:

Digboi College is situated atop a hillock, just a few metres south of Digboi-Duliajan road. It has a sprawling campus of 25 acres of land endowed with exotic beauty of hills and lush green forests. The college campus has been naturally gifted with a rich bio-diversity.

VISION:

The college has a vision of imparting quality education. Quality education would prepare students to cater to the demands of a modern technological and global world while inculcating in them the values and cultural heritage for which India is so known to the world.

OUR MISSION:

The college seeks to:

- i) Educate its students to become responsible and ethical citizens of the world with the skills to think creatively, reason critically and communicate effectively.
- ii) Encourage the students to pursue their courses with resolute determination, equanimity of mind and honesty of character.
- iii) Foster global competency among students so that they can prepare themselves for the opportunities and challenges of life.
- iv) Stimulate the academic ambience for quality sustenance and quality enhancement.
- v) Build strong bonds with all stakeholders through dedicated teamwork, innovative strategies and commitment to excellence.
- vi) Inculcate National Integration and encourage cosmopolitan culture that embraces all castes, creeds & communities.

OUR BELIEF :

We believe that :

- i. Every student has the potential to develop himself /herself as a worthy individual of society.
- ii. Education becomes most fruitful when individuals share and care for it.
- iii. Learning is a lifelong process and meaningful education opens up horizons of persistent learning.
- iv. Lessons in discipline imbibed by the students make them not only responsible but responsive citizens.
- v. If education is to produce socially useful individuals, the scientific, technological and economic learning imparted in educational institutions today must be supported by moral, intellectual and spiritual upbringing.

COLLEGE EMBLEM :

The emblem of the College was designed by Late Bimal Gogoi, an ex-teacher of the college and ex Inspector of colleges, Dibrugarh University and Late Hari Bhakta Kotowal, an ex-student of the college, a renowned painter and sculptor of his time who later became the Royal Poet of Nepal.

The upright structure on the globe as depicted in the emblem is not only witness to the historical legacy of Digboi as the first oil township in Asia but is also symbolic of the ladder of knowledge which would enable us to reach our goal even beyond the limit of the horizon. The wings on either side of the base signify that with the help of education, we can soar high to attain the goal set in life. The sunrays symbolises hope and enlightenment that would dispel the darkness of life and illuminate the whole world.

The emblem signifies the ethics and values that the college believes in and desires to infuse into our social fabric. The Citation from “Hitopadesha” at the base upholds the motto of the college.

OUR MOTTO :

The Motto of the college “विद्या ददाति विनयं” signifies that knowledge endows one with modesty which embodies humbleness, discipline and cultured mannerism. Modesty begets worthiness leading to right conduct, contentment and finally happiness.

Tuning to this spirit, the college strives to impart the inherent values of humbleness; discipline and cultured mannerism so as to enable the student community cherish an upright goal in life and contribute to societal progress as a whole.
