Dear,

PRAYAAS was conceptualized by the Sub-Divisional administration to act as the torch bearer to the civil service aspirants of this remote and far flung area of the state. This first journey of PRAYAAS was made successful with the voluntary contributions of appreciated intelligentsia in just six months. The associated mentors took the effort to enlighten the aspirants with 110 number of classes by sharing their knowledge and experiences which will always be honored by the PRAYAAS family.

Here I take the honour to appreciate you for your contribution of immense importance in making PRAYAAS a grand success. I am pleased that you have voluntarily taken interest in dedicating your service to this endeavor. The team has worked with utmost sincerity and dedication. I am confident that we can work together with the same endeavor for the upcoming generation in near future.

Yours' sincerely,

(BIKRAM KAIRI, IAS)
