DELNET/MEM/2019

December 5, 2019

Sub: DELNET Resources and Services for Digboi College, Digboi, Assam

Dear Sir/Madam,

I would like to draw your kind attention to the fact that there is an enormous growth of information resources taking place in the world at present. Applications of ICT in libraries are becoming sophisticated. At the same time libraries are needing the best and selected content for their students and faculty members.

The accreditation bodies also want the libraries to have the following facilities in their libraries:

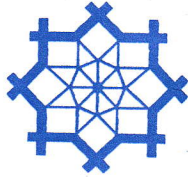

- i. Should be using the information resources of a library network;
- ii. Should be able to borrow on loan documents from other libraries;
- iii. Have digital library services;
- iv. Have linkages with other libraries;
- v. Have access to digital repositories of articles, books, etc.

DELNET provides all the above mentioned facilities and services effectively and efficiently. DELNET is devoted to the modernisation and networking of libraries since 1988 and functions from Jawaharlal Nehru University Campus, New Delhi. It has been supported from time to time by the Ministry of Science and Technology, Ministry of Culture and the National Informatics Centre of the Government of India. DELNET also had signed an MOU with the All India Council for Technical Education (AICTE) in 2001 to modernise and network its approved and accredited technical institutions in India. It is devoted to promoting sharing of resources among libraries and providing latest information resources to them and their students, faculty and other users. DELNET networks about 6,800 libraries including 4,000 college libraries and the libraries of about 300 Universities. It has its Coordination Units at Bengaluru, Hyderabad and Pune to cater to the information needs of the institutions in the region.

By using DELNET resources and services libraries are getting the following advantages:

- i. Access to selected international full-text journals in various fields, including the Arts, Science, Commerce, Education, Social Sciences, Management, Engineering and Technology, Medical, Pharmacy, Dental and many other disciplines.
- ii. Access to more than three crore catalogue records of books, journals, articles, etc. with the facility to borrow books (on Inter Library Loan) and get copies of journal articles through DELNET;
- iii. DELNET has just introduced Knowledge Gainer Portal which has 90 lakh full text documents including e-books, e-articles & e-journals.
- iv. The member-institutions get DELPLUS Software-the Library Management Software for library automation free of charge with membership. The software has modules including Cataloguing, Circulation, OPAC, Acquisition, Report Generation, etc. The barcoding can also be done in the software. Libraries can also get customized open source software Koha for library automation purposes at a subsidised price;

2019-20: Membership fees for DELNET E-Resource

Dr. Sangeeta Kaul
Network Manager

DELNET
Developing Library Network
J.N.U. Campus, Nelson Mandela Road
Vasant Kunj, New Delhi 110070, India
Tel : 91-11-26742222, 26741266
91-9810329992 (Mobile)
E-mail : sangs@delnet.ren.nic.in,
sangskaul2003@yahoo.co.in
Web : www.delnet.in

- v. Consortia facilities for subscribing to various Indian and foreign periodicals in different disciplines from reputed foreign and Indian publishers at reduced subscription charges. These include IESTC, IMC, ProQuest Engineering/Technology, Management Collection, InfoTrac Medical Collection (IMedC), InfoTrac Pharmacy Collection (IPC) & Health & Wellness Resources Center (HWRC). The World E-books Library Package with access to nearly 30 lakh E-books is also available.
- vi. Library staff can get training in latest Information and Communication Technology (ICT) applications in libraries. DELNET organises workshops in various parts of the country from time to time.
- vii. The DELNET Guest House facility at New Delhi can also be availed by member-libraries on payment basis.

We are convinced that accessing shared resources is the best way to gain access to a large number of resources at the lowest possible price. Access to the large digital resources of DELNET is available at a highly subsidised annual subscription charges of Rs. 11,500 + 18% (GST) per library and a one-time admission fee of Rs. 5,000 + 18% (GST) per library. The amount of Rs. 19,470/- needs to be paid at the time of joining and the annual renewal charges will be Rs. 13,570/-. In order to help students, researchers and the scholars, DELNET has not increased its subscription charges since 2001, yet its digital, full-text and catalogue resources have increased 10 times in this period. Being a non-profit and non-commercial organisation we are devoted to helping libraries in upgrading library and information services at a low cost for their patrons.

I am enclosing herewith DELNET Application form and MOU for your kind perusal. Also, an invoice no. 2019/37784 dt. 5/12/2019 of Rs. 19,470/- is enclosed. The payment of Rs. 19,470/- may kindly be sent towards the admission & annual institutional membership of DELNET for the year 2019-20 through demand draft drawn in favour of "DELNET" which should be made payable at New Delhi branch along with the duly signed copies of membership form and MOU. The forms may kindly be signed by head of the college. *Please note that the membership is annual in nature and is valid for 365 days from the date of activation.*

We look forward to hearing from you.

Thanking you,

Yours faithfully,

Sangeeta Kaul
