Report on Student Participation in Intra-institutional/Inter-institutional events

Digboi College, since its inception, has provided a healthy environment to its students for the exercise of their creative talents in various fields and thereby, make themselves worthy enough to compete with rest of the world. Every year, the college organizes various events related to art, culture and sports. Apart from that, the students are also encouraged to participate in various types of events and competitions organized by other institutions. In its 57 years of journey, the students of this college have brought many laurels including National and International prizes and awards. The last five years from 2016 to 2021 is no exception.
