Landscaping with Trees and Plants:

Green audit reports shows that the College campus has approximately 234 species of plants which provides a Green canopy to the College. The mesmerizing scenic beauty of the college with its rich biodiversity has been recognized by both local communities as well as by National media. The Indian Express has published about the greenery of the college.

In association with various events like Van Mahotsav, World Environment Day etc., the College has been organizing plantation drive in college campus involving the students as well as faculties to make the campus green
