## ABOUT THE DEPARTMENT

Department of Education has been serving for the benefit of the student-community since 1965. Originally, the Department had provided only Pass course. Later on, from the session 1998-99 onwards; the Department obtained permission from Dibrugarh University to start major courses too vide letter No. DU/RG/IC/Perm/2000/287-91 dated on 07.07.2000. Due to shortage of teachers, the Department stopped Major course in Education. Again, from the academic session 2016-17 onwards; the Department resumed Major course in Education. ## EDITORIAL

The National Education Policy (NEP), 2020 has already been adopted by the Government of India for the country. The NEP, 2020 has envisaged many new dimensions for Indian education system. The Central Government as well as State Governments of the country have been functioning for implementation of the NEP from the next academic session. The various stakeholders of education system need to play a significant role in this connection. It is the high time for the educational institutions to get preparedness for implementation of the NEP, 2020 in true spirit. At this juncture, the higher education institutions have to take necessary steps very cautiously. We, the stakeholders of education system are waiting eagerly with a ray of hope to witness multi-faceted and uneven milestones in education sector in the coming days.

Regards,

Dr. Poban Gogoi
